HK\$ 1,195

Offered exclusively for the scent 'Shhh', the **Lava Stone Fragrance Diffuser** from **Alessi** can transform any room into a personal spa. Dartington Crystal
The Whisky Experience Glass
HK\$ 75

Dartington Crystal introduces an immersive sensorial whisky experience in the form of its latest glass design, aptly named **The Whisky Experience Glass**. The unique shape is cleverly constructed to intensify the engagement of the senses, molded to enhance the pleasure and appreciation of any and all whisky. For Her

Riedel
Fatto A Mano Pink Champagne
HK\$ 795/piece

A dance of colour and design presents itself in the form of the **Fatto a Mano Pink Champagne** glass by **Riedel**. The slim silhouette is a direct reflection of the lightweight glass – the consolidation of traditional Venetian style craftsmanship and the latest 21st century glass making technology.

A member of the decorative grape-varietal specific stemware range, the piece radiates a subtle pink hue from the core of its stem, pulsing in tune with the light gold champagne gravitating towards it from above.
